See all 24 reviews. Now the Aboriginal village needs the money because they're getting kicked off their own land. The end result is that "Reefs of Death" is a story that has several bloody and gory scenes. I was proud of my grandson for telling us that he could not finish the book. The storyline is intense as multiple groups of people search for a treasure hidden for ages by a local aboriginal tribe who have even lost the exact location. Customer reviews There are no customer reviews . Amazon Global Ship Orders Internationally. Write a customer review. Sponsored products are advertisements for products sold by merchants on Amazon. He gets a call from his uncle inviting him to accompany him with a treasure hunt, pretty original huh?
