Very interesting to me since I have a unique employment situation and have wondered what it would be like if I had to change jobs. Just One of the Guys?: Paperbackpages. I have to admit, it was scary reading about the male privilege that many transmen experience. Perez rated it really liked it. What was it like to transition in the workplace as a transgender man in the 1980s or early 1990s? No trivia or quizzes . Just a moment while we sign you into your Goodreads account. Kristen Schilt draws on in-depth interviews and observational data to show that while individual transmen have varied experiences, overall their stories are a testament to systemic gender inequality.
