This book is a great way to build reading confidence and to concentrate on sight words. Kindle Edition 38 pages. I believe that this book can be read to oneself or be read aloud, which I think is a plus for the author because they did a great job at making it fun in both ways.

Some cuter rhymes, and the extra games and jokes at the end of the book were fun! My son has loved all the books we have read by this author!!! Our favorite line, "If you have some music - do a little dance. I'm glad I got this book. When my 3 year old daughter asked for an ereader last Christmas, she received an Android tablet with Kindle for Android as well as other ebook applications. It doesn't really have any other theme or flow.
