Below is a list of in-print works in this collection, presented in series order or publication order as applicable. Eve of the Festival: John Curtis Franklin seeks to harmonize Kinyras as a mythological symbol of pre-Greek Cyprus with what is known of ritual music and deified instruments in the Bronze Age Near East, using evidence going back to early Mesopotamia. Author Pater, Walter, I have preserved paragraph structure except for first-line indentation. This paperback edition contains minor corrections, while retaining the maps of the original hardback edition as spreads.

This book probes the narratives of poets who are exiled, tried or executed for their beliefs. Theology of Arithmetic explores the rich variety of number symbolism used by gnosticizing groups and their orthodox critics, and shows how earlier neo-Pythagorean and Platonist thought influenced this theology.
