And when I am dead, the matter which composes my body is indestructible—and eternal, so that come what may to my 'Soul,' my dust will always be going on, each separate atom of me playing its separate part – I shall still have some sort of a finger in the pie. All the while he was also battling poor health. Wells which led some reviewers to believe the journal was a work of fiction by Wells himself; Wells publicly denied this but the The Journal of a Disappointed Man identity of "Barbellion" was not known by the public until after Cummings' death.

Life is an intoxication. The great thing is to live, to clutch at our existence. Algunas entradas del diario son muy conmovedoras. Barbellion has an extraordinary lust for life.

I like to think that I was once a magnificent hairy fellow living in the trees and me this side note:
