With a biting sense of humor and heart, she portrays the tribulations that come with each trimester, from nausea, weight gain, and bladder infections to dealing with those other kinds of pregnant women. An award-winning writer, Teresa is achingly honest about the motherhood she begins experiencing at age thirty-eight. NotEnabledWordWise: Jan 17, Louise rated it it was ok. Exploiting My Baby is a must-read for anyone pregnant, trying to get pregnant, or who is just more crazy than baby-crazy. I felt great pride when this book came out as anyone who has listened to Teresa instantly feels a connection and you really do feel as though you know her personally, as she holds back . Published on September 30, There is a fair amount of swearing and sarcasm, so this book is not for. From Shy to Hi:
