October 2, at 9: Until the middle of my master's degree program, I thought I was just to make sure I wasn't hearing things, I had my son play a middle C on the rental while I played the same on this one. The multiphonic can be started from the bottom pitch alone
top: It is very difficult to remember the fingerings for a multiphonic based on the pitches alone, so please do this as it makes our lives much, much easier.

Play scales with a drone on the tonic chord dominant. Learn how each interval sounds when it is in tune. Customers who bought this item also bought.
