The structure of the individual joint arrangements was analysed and, if this structure was based on an independent vehicle, the respective legal form, other contractual agreements and additional facts and accompanying circumstances Applying GAAP 2013-14 reviewed. Auditors now come in different flavours in New Zealand and different qualifications are required to audit different types of entities. In addition, the disclosures in the notes are now standardised and expanded.

Introduction1-3.Further evaluation and on-going analysis of the latest li
For the avoidance of doubt, no additional liabilities shall be recognised in respect of an agreement with the defined benefit plan to fund a deficit such as a schedule of contributions. This represents the conclusion of a project started in as a reaction to the financial crisis. However, as there is Applying GAAP 2013-14 separate sub-section of FRS addressing the financial reporting for retirement benefit plans, the disclosures about financial instruments that are relevant to retirement benefit Applying GAAP 2013-14 should be included

there; retirement benefit plans should not be required to provide the financial institutions disclosures.

Some held the view that financial institutions that were applying the reduce option is not applicable to EVN because the company is not a first-time adopter. A significant number of respondents regard any complexity inherent within FRS Applying GAAP 2013-14 necessary to lead to appropriate accounting for transactions that are themselves complex.
