This book reveals how that experiment turned into a lifetime commitment, as the experience of living "in another dimension of mind" profoundly affected their lives. To see what your friends thought of this book, please sign up. He reveals how the "non-human" process will dramatically change our lives- including or health, finances, and relationships - and how we can then "go forth with great inspiration to transform this planet into the heavenly body it was created to be - the beloved Earth, the Planet of Serenity- the home of the Forces of Light" No Marketing Blurb.
