Yes, in any way you think this goes, is how it goes with this fantasy. And for the woman with this particular desire, she definitely wants to party.

It could mean that the woman fantasizing about stripping could be an narcissist. But, what do these fantasies actually mean? The taboo of being watched in something so private is a clear turn-on, because they also have the knowledge that those watching them might potentially become just as hot and bothered. Some women might want two guys and herself while her boyfriend watches, other women might want to double up with two fantasies as one by bringing another girl into the mix with her and her significant . More reason to thank your sister! Undoubtedly, many of their male partners are surely just as anxious to engage in this act .
