This study did not obtain information about living individuals, and as such, no human research was undertaken and no Human Subjects Institutional Review was required. From a regulator perspective, there may be emerging concerns that trades are not being implemented as intended, as illustrated in internal DEQ e-mail correspondence obtained by an environmental organization through the Freedom of Information Act: Both the total estimated cost and the estimated restoration outcomes have been revised downwards from original plans TFT, but not in a linear fashion. GlobalEnvironmentalChange, 222p. The translation of ecosystem services. What can be traded? Oregon Department of Environmental Quality, Salem. GlobalEnvironmentalChange28, Volume28, p. For example, I made calls to the City of Medford to verify project billing rates and to obtain copies of reports and contract amendments.
