The author paid close attention to the detail of characters, setting, and meshing her story to the original. Bebris has surpassed herself offering her finest novel in the Mr. Plus, and this is a big plus, the mysteries in this series are usually appropriate. Adding to the small intrigue we had with Frank Churchill's secret engagement to Jane Fairfax, we expand on the duplicity that was evident in the canon to create a mystery of murder and suspicions. I enjoyed the comradery between Mr Darcy and Mr Knightley Mr and Mrs Darcy are looking forward to a relaxing stay with dear friends when their carriage is hailed by a damsel-in-distress outside of the village of Highbury. I must say I liked this one much more than I liked the Mansfield book. This book's list has reached the maximum number of items. The Darcy's and The Knightley's join forces to solve the case.
