This goes to show how some schools and students are left behind just because of where they live. Sep 22, Monica rated it it was amazing.

A respected journalist turned-teacher reveals what's really happening in A By the end of the year, she was one of two interns remaining, still without the support of the school administration. This succeeded in making me angry at the author as I was reading for bringing something up and then not talking about it for another hundred pages.

LinkedData More info about LinkedData. As a journalist for the Chicago Sun-T all, she shows how an individual can, did--and continues to--make a difference in the lives of American children. Lists with This Book.
