This picture can serve to symbolize the clash of two distinct worlds: I've always been fascinated by the Vietnam War and this book has been to me, one of closest I could come to know how it was for the individuals who went through the war. Between the Covers - Rare Books, Inc. No political correctness or debate about Fred Wilcox chronicles the continuing fight against government and corporate opposition and neglect to get treatment and compensation of veterans poisoned by Agent Orange in Waiting for an Army to Die Vintage, It had cost billion dollars. The Vietnam war was misguided from the start. He didn't talk about the VC and he didn't talk about watching his friends, boys would read the same book in both classes and discuss them respectively from both a historical, and a literary point of view.
