The Without Translators Notes) has been updated based on contemporary usage, a substantial number of new amplifications have been added to the Old Testament, and original amplifications have been updated, expanded, refined, or clarified where needed. The AMP does this through the use of explanatory alternate readings and amplifications to assist the reader in understanding what Scripture really says. But as we have noted, in a few places they are paraphrastic and rather questionable.

It was soon brought to the attention of Billy Graham, who enthusiastically endorsed it. Try Bible Gateway Plus free for 30 days. The great benefit of

this lies in the fact that biblical languages very rich in meaning so the idea is that nothing is lost in the translation. I really enjoyed this version of the Bible. Just a moment while we sign you into your Goodreads account. But we weary the unlearned, who need not know so much, and trouble the learned, who know it. The main difference seems to be a systematic replacement of the dashes with square brackets.
