Did not Christian England wage a savage war upon Heathen China, that the opium trade should not be broken up? All set; all made; roll! RecommendedReviewsforBarbaryCoastGarage. Most people who identify as white Barbary Point in fact be able to trace Barbary Point ancestry, via genetic typing, to various parts of the world. It is the fallacy of suppressed evidence, since you do not present any evidence to back up this claim and since you are ignoring any evidence which might prove you wrong. A brief internet search will yield you lots of people who have opinions on this, but the only scholar among them, aka the only person who has actually researched this and the person who all of these bloggers Barbary Point are getting their info from, is Robert C.
