growing divide between the richest and poorest in society has  
been bought on by systemic problems within "Corporate  
America", "Investment America", and "Mutual Fund America",  
Bogle offers both how we got here, and sage advice for  
reversing what he describes as our conversion from "Ownership  
Capitalism" to "Manager's Capitalism. It would be more than a  
little naive to believe that capitalism would go the way of  
the dodo bird within my lifetime.
