Jonny read the plan in silence and Striker Boy looked up, suddenly wide-eyed, threw his hands into the air and proclaimed loudly: Outside of his family and writing, football was Jonny's great love. Brilliantly paced football excitement on and off the pitch in this fast moving novel. Jonny had taken an excessive amount of his medication and my son had called the ambulance after dad was acting strange. Most importantly, Jonny was simply the best dad Striker Boy. He was a comedian, musician and massive football fan. This novel moves along at break neck speed.
