I installed the plugin to Calibre correctly at least,
everything went exactly as you describebut then it gives me a
DRM error message whenever I try to convert the newly imported
book. And if anyone would like to come after me for doing
something illegal, they are welcomed to do so.

Or, get it for Kobo SuperPoints! One solution the publisher
proposed is to have the university charge every student in the
course for the eBook as part of the course fees. Publishing as
an encrypted ePub does not restrict users. Look at a scene and
analyze the lighting by asking yourself questions such as:
Unfortunately this method does not work for me. Finally, I

thought...there must be another way...wonder if I can convert to
epub. Flamekpryou just made my day.
