Be the first to ask a question about The Doctrine of the Mean. He stands in the center without leaning to either . It is often overlooked or underappreciated, by Aristotle scholars and virtue. Therefore in the Noble Man's practice of his Way, he starts with himself and then manifests his character to all the people, such that when he contemplates the ways of the three former sage-kings, he cannot feel any shame. Today, it still has relevance in contemporary Chinese social and cultural contexts. What is excellent depends upon circumstances, just as the appropriate amount tells us that excellence, like an archer, aims at a target. Retrieved 16 November
