I bought this book because the previous book of the author, The Last Templar was a superb book. But, well, sifting the pages through, it looked.

Well The Templar Salvation, with a great plot, climax and ending, The Templar Salvation was a great read!! I thought I had written my review but guess not. Unable to carry the horde with them, they leave them with some markers and proceed on. Finally, after four long years, Khoury returns to the world of the Templars with this book. This book was a quick and easy read. No one but the Pope's trusted second in command get in-but Reilly has earned the Vatican's trust, a trust he has no choice but to violate. Loved this sequel to the first one. I don't mind long books. In closing, Wow I loved this book.
