The changing face of world missions presents unique challenges. One of these is preparing missionaries for effective cross-cultural witness and church planting.

I count it a great privilege to write the forward to Dr. Smith's *The Challenge of Missions*, and am delighted that this dynamic piece of Christian teaching is being .

See 1 question about *The Challenge of Missions*... Jason Holt rated it it was amazing Jan 01, This book will stir you out to pray for the world as never before and to go out to send. Possibly the best book on missions giving, praying, and going that *The Challenge of Missions* will ever read. The point is that we should not be quick in sending missionaries who have not been adequately prepared, who have not developed relational and theological skills, and who have not demonstrated abilities and effectiveness in the area of their calling. Gone are the days when the isolated West sent missionaries to unknown lands and people. Product details File Size: Yet Christianity is a universal religion not bound by one cultural expression of it. Love the emphasis on Evangelism and training men!
