Please enter the message. Childhood covers young years spent in Haiti before migration. These stories can't help but be educational, each life touched by politics, and ancient punishments of the singular history of a successful national slave revolt, defeat of Napoleon an Well rounded collection of short auto-biographical essays and fictional stories by a variety of authors and non-authors. These stories can't help but be educational, each life touched by politics, a Whether [the writers] are discussing childhood memories, interracial relationships, or returning home, their comments are always illuminating. It cannot be said that the collection is merely musings on oppression and events chained to a turbulent history. PrivacyPolicyTermsandConditions.A collection of short pieces from Haitian diaspora. A note about the language.
