But now the bubble has burst, the perfect place to bring up a family is full of residents struggling to make their mortgage repayments. Therefore Jo is true to herself by continuing those characte The author gets one added star from me right away for writing about Ireland; having a female lead in a position of responsibility; and addressing serious modern issues like house repossession, crooked solicitors and special needs children.

She exhibited a rather startling lack of authority in both her professional and personal life. The phone hacking scandal involving the News of the World revealed the shocking tactics the media uses to get stories and served as an inspiration for the book. Joanne rated it liked it Mar 25, Jun 29, Clare O'Bea rated it really liked it Shelves: One of these women was Ellen, her body never .
