Aug 24, Sanne rated it did not like it. The characters' differences in perspective about the same events sharply highlights how self-absorbed and unable to connect with anyone they are. Using a beta version of FCP 3, it demonstrated to the film industry that successful 3: This setting makes this book even more pleasurable - a college campus in the 80s. With these two pieces in my head I stepped into the confusing mess of The Rules of Attraction. I personally was laughing all the way through it except of course during the bathtub scene which I thought was gruesomely fantastic in its portrayal. In other projects Wikiquote. This book isn't the only reason, but it was the best. It is very hedonistic and self involved, which appealed to my self involved 19 year old self. Once again, this is something that might piss off a lot of readers, but I found it to be quite memorable and unique.
