Retrieved November 21, Ultimately, the intent of these sequester was to secure

Budget authority represents a limit on the new financial obligations federal agencies may incur by signing contracts or making grants, for example and is generally what Congress focuses on in making most budgetary decisions. The measure failed to pass the Senate and the debt limit was raised accordingly on January

The debate on the bill was driven by the Republicans' insistence on spending. House-Senate conference then resolves any differences, and the budget resolution for the year is adopted when both houses pass the conference agreement.
