It's exactly what I need for an upcoming short film that I'm shooting in the coming months. Any way to fix this or we just have to wait for some updates?

In both cases the message is thrown when the VC Orb plugin is dragged in the composition

Michelle June 8, Save my name, email, and website in this browser for the next time I comment. I have seen them a few times myself and have received emails from people all over the world that report the same experience as you have .

I was running a 2gb GTX Performance wise I'm amazed how easily Vega card runs this thing with camera flybys and stuff like. Still not working for me on a Win10, GTX with latest drivers.
