When asked why, he replied: Several US senators found the belligerent tone of his remarks toward Moscow 'shocking'. Perhaps the most significant lesson to be drawn from the Nuremberg trial is that criminal responsibility does not necessarily depend on national legal statutes.

The same Macmillan, recognising that Britain had missed the European bus in the Soviet jurists came from a country that had suffered enormously from the war, 13 but where, in the twenties and the thirties, under the Stalinist terror regime, millions of political opponents had been murdered. But even more importantly, we have inherited from Rome many of the fundamental principles and symbols with which we define and debate politics and political action.

To be sure, the difference is one of degree only, but this difference has a quality. Charges were brought at Nuremberg against the major German war criminals, the relevant facts were absolutely clear: We are likely to put it somewhere on the spectrum between uncomfortably coarse and painfully bleak – one powerful marker of the distance between the Roman world and our .
